

COSTARFORM 200

(FORMERLY COSTAR FORM RELEASE AGENT 20)

Costar Mineral - oil Based Release Agent

Description

COSTARFORM 200 is composed of mineral oil-based product, which provides quick easy and clean release of concrete forms.

Features and Benefits

- Can be safely used inside or outside.
- Produces a better and cleaner cast when applied on pre-stressed and precast concrete forms.
- Cuts stripping time to an absolute minimum.
- Reduces form cleaning and repairing.
- Increases wood form life, rustproofs metal forms.
- Effectively minimizes concrete buildup on pavers, R/M trucks, mixers, spreader-finishers, buggies, chutes, and other equipment.
- Breaks concrete bond between surface and form cleanly and effectively
- leaves smooth surface.
- Will not stain or discolor concrete and can be painted over.
- Ready to use, requires no additional mixing.
- Minimizes surface voids.
- VOC compliant

Application Instruction

Spraying is the ideal method of application for Costarform 200. It may also be applied by roller coating, mopping, or brushing. A thin film should be applied for maximum economy and efficiency. Runs or puddles need to be brushed out. For metal forms, the best results are obtained with a spray-on "fog" application of Costarform 200.

Preparation

Surface Preparation

Form surfaces are to be thoroughly cleaned prior to application. All rust, scale, and previously used form release agents must be removed in accordance with good concrete practices

Packaging

20 liters keg

Applicable Standards

Specifications

Complies with U.S. EPA, LADCO states, OTC states, SCAQMD, and all other current North American VOC regulations.

Precautions

KEEP FROM FREEZING. DO NOT OVER-APPLY COSTARFORM 200 TO FORMS AND EQUIPMENT. DO NOT DILUTE. Surface tensions of certain plastic forms may prevent adequate "wetout" of Costarform 200. A small test patch application is recommended to ensure uniform coverage of Costarform 200. If, after application, Costarform 200 exhibits beads on the surface, it is recommended to break the beads with a cheese cloth or brush.
